we were as one babe
for a monet in time
and it seemed everlasting
that you will always be mine
now you want to be free
so i'm letting you fly
cause i know in my heart our love will never die
NOOOOOOOOOOOOH!
you will always be apart of me
and i will always be apart of you indefinitely
boy don't you know you can't escape me
ooh darling cause you will always be my baby
and we will linger on
time can't erase a feeling this strong
no way you ever gonna shake me
ooh darling cause you will always be my baby
aint gonna cry nooh
wont beg you to stay
if you're determined to leave booy
i will not standin your way
but inevitably you will be back again
cause you know in your heart
our love will never end nooh ohh
you will always be apart of me
and i will always be apart of you indefinitely
boy don't you know you can't escape me
ooh darling cause you will always be my baby
and we will linger on
time can't erase a feeling this strong
no way you ever gonna shake me
ooh darling cause you will always be my baby
