Lord only knows
Why I love you so
You're a heartless man
I don't understand
Why you gotta be
Why do you need to be
So cold

Chorus:
So cold
How can you be
So cold
So cruel to me (your heart)
Ice cold
Don't even feel
Your kiss is like fire
But deep down inside
You're so cold

You play games with my mind
Cheat and lie time after time
And I know you'll never change
But I just can't break away
I don't know why I let you treat me
The way you do
You're just no good for me
I wish I never fell for you

Chorus:
So cold
How can you be (oh baby)
So cold
So cruel to me
Ice cold
Don't even feel
Your kiss is like fire
But deep down inside
You're so cold

Oh so many times
You keep me waiting around endlessly
You just laugh as I drown in despair

Never a worry, never a care
I don't know why I let you hurt me the
Way you do (ohhh)
You've got a spell on me
I'm hopelessly in love with you

Chorus:
So cold
How can you be x2
So cold (oho oooh)
So cruel to me (your heart)
Ice cold (oh yeah)
Don't even feel
Your kiss is like fire
But deep down inside
You're so cold

Chorus:
So cold
How can you be (how can you be so cold)
So cold (to me)
So cruel to me (coz your heart)
Ice cold (ice cold)
Don't even feel
Your kiss is on fire
But deep down inside
You're so cold
Made of stone
Oh you're wicked to the bone
I give you my heart
You tear me apart
You're like a devil
In disguise

Chorus:
So cold
How can you be (how can you (be) how can you (be))
So cold (i can't take it no more)
So cruel to me
Ice cold (no more no more)
I can't wait another day
Then I'll get to break away

So cold
How can you be
So cold
So cruel to be (baby your heart is so cold)
Don't even feel
You're kiss is like fire
But deep down inside
You're so cold

So cold
Ice cold (oh yeah)
You're kiss is like fire
But deep down inside
You're so cold
