Sorry, I never told you all I wanted to say
And now it's too late to hold you
Cause you've flown away, so far away

Never had I imagined living without your smile
Feelin', knowin' you hear me
It keeps me alive, alive

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

I'll wait patiently to see you in heaven

Darlin' I never showed you
Assumed you'd always be there
And I, I took your presence for granted
But I always cared
And I miss the love we shared

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

Although the sun will never shine the same
I'll always look to a brighter day

Yeah, yeah and Lord, I know when I lay me down to
sleep
You will always listen as I pray

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

Sorry, I never told you all I wanted to say
