Sorry, I've never told you, all I wanted to say
And now it's too late to hold you
'Cause you've flown away, so far away

Never had I imagined, living without your smile
Feeling and knowing, you hear me
It keeps me alive, alive

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually, we'll be together
One sweet day

Darling, I never showed you, assumed you'd always be
there
And I, I took your presence for granted
But I always cared
And I miss the love we shared

And I know, you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually, we'll be together
One sweet day

Although, the sun will never shine the same
I'll always look to a brighter day
Lord, I know when I lay me down to sleep
You will always listen as I pray

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually, we'll be together
One sweet day

And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually, we'll be together
One sweet day

Sorry, I never told you, all I wanted to say
