Sorry, I never told you
All I wanted to say
And now it's too late to hold you
'Cause you've flown away, so faraway

Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive, alive

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
(Together)
One sweet day
(And all that I know and I'll wait patiently to see you in
Heaven)

Darlin', I never showed you
(I never showed you)
Assumed you'd always be there
(I thought you'd always be there)

And I, I take your presence for granted
But I always cared
(But I always cared)
And I miss the love we shared

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
(Lost along the way)
And I know eventually we'll be together
(I know, I know)
One sweet day
(And all that I know is I'll wait patiently to see you in
Heaven)

Although the sun will never shine the same
I'll always look to a brighter day
Lord, I know when I lay me down to sleep
You will always listen as I pray

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
(Like so many)
And I know eventually we'll be together
(Yes, I know, I know we'll be together)
One sweet day
(One sweet day)

And I know you're shining down on me from Heaven
(I'll see you eventually)
Like so many friends we've lost along the way
(I know you're lookin' for a heaven)
And I know eventually we'll be together
(Yes, we will)
One sweet day
(One sweet day)
(Patiently to see you in Heaven)

Sorry, I never told you
All I wanted to say
