Guess who's back in the motherfuckin' house  
With two big tig ol' biddies for your mouth  
Heartbreakers must part taker the sensation  
So so def and clue hits in the making

Guess who droppin' the 5 double o  
Like yippe yi yippi yo yay  
When I talk smack y'all better skip back  
Like here we go 'cause the bitch don't wait

Oh, your love's so good, I don't wanna let go  
And although I should, I can't leave you alone  
'Cause you're so disarming I'm caught up in the mist of  
you  
And I, can not resist at all

Boy if I do the things you want me to  
The way I used to do  
Would you love me baby holdin' me feeling you  
How could you go and break my heart

Heartbreak you got the best of me  
But I just keep on coming back incessantly  
Oh, why did you have to run your game on me  
I should have known right from the start  
You'd go and break my heart

Give me some real love  
Need someone to give me some real love  
Give me some real love  
Need someone to give me some real love

Give me some real love  
Need someone to give me some real love  
Give me some real love  
Need someone to give me some real love

When I met ya that night baby  
I didn't know it wouldn't last  
I give my love to you honey  
Wish I could take it all back

See I have never met a guy  
That wasted my time telling lies  
Should've known you'd break my heart

Uh uh uh, well if the brat ever thinks about a heart a be  
gone  
Should have known you were star struck when I left you  
so  
My heart was stuck in the beginning but then  
I gave you my heart and you broke it again

I'm a fool when you smile at me I'm convinced  
I get caught up in you when I just can't resist  
I know you lie to me it just drives me nuts  
This one kiss could persuade me to believe your bluffs

You set it up impressin' me with gifts and rings  
I wish love was dollars 'cause money ain't a thing  
'Cause when I think of MC Blew the party  
I got a ready to play somebody

Is that tell me you, is that for each member of my crew  
With that I'm gonna heartbreak you  
Now you flat on your back you really don't know  
So I'd advise you not to trust me yo

Baby, I'm the real thang  
So what ya got me sweatin' you consistently baby  
Baby, I got the good thing  
So why you makin' love to me you crazy baby

I like the way he used to spank me  
He used to lie me on my back take that UH  
He used to have me in the sack legs back  
But now he be buggin' lately

Hey, boy why you actin' stinky  
I keep it stiff like wood baby  
So if you wanna keep a good lady  
You need to stop with all the heartbreaking

Heartbreak you got the best of me  
But I just keep on coming back incessantly  
Oh, why did you have to run your game on me  
I should have known right from the start  
You'd go and break my heart

Heartbreak you got the best of me  
But I just keep on coming back incessantly  
Oh, why did you have to run your game on me  
I should have known right from the start

You'd go and break my heart
