2008, watch it! Yeah!

Yo, Mariah Carey alongside Gong Marley

Huh, natty, check it, pepper!

(Y'all know what this is)

Can't get him outta my mind

Can't explain it but it's somethin' 'bout him

Makin' me hot like a motor revvin' over and  
over

It don't stop, he cruised beside me now I'm flyin',  
driving

Through yellow lights

I'm ignorin' every sign of caution that they provide

Driver's Education 101 slipped out of my mind

I need me a caddy with some cruise control, no, no, no

I've been told so many sagas

He brings the drama, six baby mamas

But uh oh, I can't resist him

Just want to kiss him, I need cruise control

Might need to go slow, I don't know

Why I ease up on the brake every time I see his face

I'm outta control, I-I don't know how to stay up in my  
lane

Every day and night he's cruisin' through my brain

Wherever I go he be cruisin'

Turn to the right, ooh he's so smooth with it

Deep down inside, don't want to lose him

He already know I'm willin' to go, gotta get on cruise  
control

C-R-U-I-S-E control

C-R-U-I-S-E control

C-R-U-I-S-E control

C-R-U-I-S-E control

Can't nobody, can't nobody tell me nothin'

When he comes into view

~Cause he's the flyest ting when he be cruisin'

On me avenue

When the door open, de gals pon de block  
They be hopin' to rob the clock  
He said, no man, step up, step up  
Bottle broken, think I'm jokin'?

I've been told so many sagas  
He brings the drama, six baby mamas  
But uh oh, I can't resist him  
Just want to kiss him I need cruise control

Might need to go slow, I don't know  
Why I ease up on the brake every time I see his face  
I'm outta control, I-I don't know how to stay up in my  
lane  
Every day and night he's cruisin' through my brain

Wherever I go he be cruisin'  
Turn to the right, ooh he's so smooth with it  
Deep down inside, don't want to lose him  
He already know I'm willin' to go, gotta get on cruise  
control

You put your hand in cruise control  
And you deny me if you want  
And you will starve yourself of love  
If you don't speed and break the law

You can't get no speeding ticket  
On the highway to my heart  
And it might be a rocky road  
And you can exit if you want  
(Why you always?)

Look at life just like a pessimist  
You already like a wife up in my premises  
And right ya now you cruise control it is my nemesis  
Just come again and stop and start just like a genesis

Might need to go slow, I don't know  
Why I ease up on the brake every time I see his face  
I'm outta control, I-I don't know how to stay up in my  
lane  
Every day and night he's cruisin' through my brain

Wherever I go he be cruisin'  
Turn to the right, ooh he's so smooth with it  
Deep down inside, don't want to lose him  
He already know I'm willin' to go, gotta get on cruise  
control
