When you left, I lost a part of me
It's still so hard to believe
Come back baby, please
'Cause we belong together

Remix
(Remix)
Uh, desert storm, uh yo, show your respect
Whenever you hear me or see me
This is the emancipation of Mimi
Hot like a real fever, the real diva
So successful, yet still so eager

No matter what they say, it's on for ever
It's our time right now more than ever
'Til the death, we gon' get it on together
And MC, you know we belong together, come on

I lost a part of me when you left boy, can't you see
Boy come back, baby please 'cause we belong together
Who am I gon' lean on when the times get rough
Who's gon' talk to me 'til the sun comes up
Who's gon' take your place, there ain't nobody better
Oh, baby, baby, we belong together

I only think of you on two occasions
That's day and night, I'd go for broke
If I could be with you, only you can make it right
Make it right, make it right

We belong together like the sun in the summertime
Bounce in a lemon range, skip in a Hummer lime
P and Kiss in and out, Mariah on the other line
Baby, I'ma come back, believe it'll come a time

We belong together like peanut butter and jelly
Februarys and skellies, after-parties and tellies
Feelin' you in my stomach like you a part of my belly
Baby, I'ma come back with every part of you ready

I lost a part of me when you left boy can't you see
Boy come back, baby please 'cause we belong together

Who am I gon' lean on when the times get rough
Who's gon' talk to me 'til the sun comes up
Who's gon' take your place, there ain't nobody better
Oh, baby, baby, we belong together

I can't sleep at night when you are on my mind
Bobby Womack's on the radio singing to me
"If you think you're lonely now wait until tonight"
Boy, I'm feeling all out of my element

I'm throwing things, crying, trying to figure out
Where the hell I went wrong, the pain reflected in this
song
Ain't even half of what I'm feeling inside
I need you, need you back in my life, baby

Let's go, you gon' need a shoulder to cry on
Classic Mustang Cobra to ride on
Past is the past, just let it be bygones
Matter of fact I know a fly song
That we could vibe on, let's get it straight
If it's the 6 or the quarter to eight

Then I'm throwing Babyface or Shai on
Yeah, and Kiss ghost and MC
Get close and toast to the diva and MC's
The trees will blow, big cups, Pino Grigio
Take it easy, yo, we belong together, we know that

Now I think that it's about time we show that
Even though every moment won't be a Kodak
Sometimes we argue, I spazz out, grab my bozak
Come back not 'cause I have to, I want to
No, I don't just wanna have you, I want you

I lost a part of me when you left boy, can't you see
Boy come back, baby please 'cause we belong together
Who am I gon' lean on when the times get rough
Who's gon' talk to me 'til the sun comes up
Who's gon' take your place, there ain't nobody better
Oh, baby baby, we belong together
