Lock my up inside my room  
Keep my where I wont let loose  
Leave a monster in my bed  
Don't forget me, I'm not dead

You forget my memory ????  
Maybe I was ????

You forget my indecision ????????? control

?????????????????  
Woke me up to my own ????

Dropped

People ask me ????????????? innocence is ???  
???? dropped me on my head ??????????  
Living on my own ??????????????

?????????  
Woke me up to my own ????

Dropped
