Here i go for all the ladies screamin my name,
wats my name,let me tell u rite now, itz flame,

as the other cats who tried 2 put me out,well shame,
i ave seen so many h8ers in my day,
but them sucka all walked out all the same way,
with their down coz my sound just brought them down,
so ere i go now, the new king,give me my crown.

coz im juz hot and u not,i got game,
whereas u juz bring shame, coz the ladies love me,
and they think im lovely,
till i get vokda and the bubbly,and they fuck me..
