"Sink Into The Underground"

I can't breathe I can't get this out
Don't know and I can't explain
But still I feel that I will... I'll be the only one now
Can't seem to penetrate
You can talk about the only way out
I know it's gonna get me again

Why do you have to tell me
The things you tell me
Power can instigate
But I suppose that you'll expose and you'll open up
wide
Can't seem to penetrate

Still talking about the only way out
I know it's gonna get me again
I hope the demon doesn't dwell inside you
I know it's gonna get me again

No don't drop me now

I'll sink into the underground
(Lead those sheep to the slaughter)
So alone don't drop me now
I'll sink into the underground
(Can I keep my head above the water?)
Yeah

Still talking about the only way out
I know it's gonna get me again
I hope the demon doesn't dwell inside you
I know it's gonna get me again

[x2]

No don't drop me now
I'll sink into the underground
(Lead those sheep to the slaughter)
So alone don't drop me now
I'll sink into the underground
(Can I keep my head above the water?)

Yeah
