Oh, baby I don't think you know
Just guess how much I love you
Have you ever felt lonely
When you know you gotta leave me
That's how much I love you

Oh, baby I don't think you know
Just guess how much I love you
Have you ever felt lonely
When you know you gotta leave me
That's how much I love you

The way I feel for you I can't describe
It's almost too intense verbalize
Essentially you're all I'm living for
Basically each day I need you more and more

Have you even been so enamored baby
That's how much I love you
All I need in this life
You see is me and my boyfriend
(Me and my girlfriend)

Have you ever felt lost when you know you gotta leave
me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend

Don't underestimate the love in me
It's obvious these feelings run so deep
I fall and fall for you day after day
Nobody else could ever take your place

Have you even been so enamored baby
That's how much I love you
All I need in this life
You see is me and my boyfriend
(Me and my girlfriend)

Have you ever felt lost when you know you gotta leave
me

That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend

You don't gotta waste your time and worry
You don't gotta look for reassurance
'Cause [Incomprehensible] you're the only one
That's getting this and

Sugar I don't need nobody else but you
And honey I ain't letting go too soon
Because one can't get enough, why you asking how
much?
More than you can handle baby

Have you even been so enamored baby
That's how much I love you
All I need in this life
You see is me and my boyfriend
(Me and my girlfriend)

Have you ever felt lost when you know you gotta leave
me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend

Have you even been so enamored baby
That's how much I love you
All I need in this life
You see is me and my boyfriend
(Me and my girlfriend)

Have you ever felt lost when you know you gotta leave
me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend

Have you even been so enamored baby
That's how much I love you
All I need in this life
You see is me and my boyfriend
(Me and my girlfriend)

Have you ever felt lost when you know you gotta leave
me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend
