Yessir MC  
With the remix  
Of the american dream  
You know me  
Oh, yeah, oh yeah  
Oh, yeah, oh yeah  
Oh yeah  
(We everywhere)  
Oh, yeah, oh yeah  
Oh, yeah, oh yeah

I know that you've been  
Waiting for it  
I'm waiting too  
In my imagination  
I'd be all up on you  
I know you got  
That fever for me  
Hundred and two  
And boy  
I know I feel the same  
My temperature's  
Through the roof

If there's  
A camera up in here  
Then it's gonna leave with me  
When I do (I do)  
If there's  
A camera up in here  
Then I'd best  
Not catch this flick  
On YouTube (YouTube)  
'Cause if you run  
Your mouth and brag  
About this secret rendezvous  
I will hunt you down  
'Cause baby  
I'm up in my bidness  
Like a Wendy interview  
But this is private

Between you and I

Touch my body  
Put me on the floor  
Wrestle me around  
Play with me some more  
Touch my body  
Throw me on the bed  
I just wanna make you feel  
Like you never did  
Touch my body  
Let me wrap my thighs  
All around your waist  
Just a little taste  
Touch my body  
Know you love my curves  
Come on and give me  
What I deserve  
And touch my body

I'll give you  
What you deserve  
The haters givin' you words  
That you really  
Don't like hearing and they  
Get on your nerves  
But, I be the one  
At the end of the week  
Makin' you moan  
When we alone  
To make you shake  
When you speak  
Your blazin physique  
Just makes them haters hate  
And they freak about  
How you own love  
And how  
You make it with me but  
I know you sick  
I know you tired  
I know you sick  
Of being sick and tired  
And I be here  
I bring that fire  
I'm bringing that heat  
When I'm with Mariah  
If there's  
A camera up in here  
Then it's gonna come leave  
With me when I do (I Do)  
'Cause I got

Too many damn videos  
All up on my account  
On Youtube (Youtube)  
'Cause if you run your mouth  
And shit Mariah say  
What I'ma do  
(I will hunt you down)  
But I love just kissing  
Hugging, loving  
Rubbing up on you  
'Cause you fantastic  
And you a bad chick

Oh yes indeed  
It's the American dream  
When I touch yo  
Work yo, taste yo body  
I want you to do to my  
Get up on my  
Sit up on my body  
If there's a camera (huh)  
It might leave  
When I do when (I do)  
If there's  
A camera in here (huh)  
Upload that right up  
To YouTube (YouTube)  
I'm just playing  
Yea MC  
Tell what to say  
When they thought of me  
And you the tabloids  
Calling us out  
And how can I deny it  
When up in here  
With you your amazing baby  
When you say

Touch my body  
Put me on the floor  
Wrestle me around  
Play with me some more  
Touch my body  
Throw me on the bed  
I just wanna make you feel  
Like you never did  
Touch my body  
Let me wrap my thighs  
All around your waist  
Just a little taste  
Touch my body

Know you love my curves  
Come on and give me  
What I deserve  
And touch my body

I'm a treat you  
Like a teddy bear  
You won't wanna go nowhere  
Live the life of luxury  
Laying intertwined with me  
You won't want  
For nothing boy  
I will give you plenty  
Touch my body

Touch my body  
Put me on the floor  
Wrestle me around  
Play with me some more  
Touch my body  
Throw me on the bed  
I just wanna make you feel  
Like you never did  
Touch my body  
Let me wrap my thighs  
All around your waist  
Just a little taste  
Touch my body  
Know you love my curves  
Come on and give me  
What I deserve  
And touch my body

Oh, yeah  
Oh yeah, oh, yeah  
Oh, yeah, oh, yeah  
Oh, oh, oh, oh, yeah  
Touch my body
