Feels like..  
I'm standing in a timeless dream..  
Of light mists..  
Of pale amber rose  
Feels like..  
I'm lost in a deep cloud of heavenly scent  
Touching.. discovering you..  
Those days..  
Of warm rains come rushing back to me  
Miles of windless.. summer night air..  
Secret moments..  
Shared in the heat of the afternoon  
Out of the stillness..  
Soft spoken words..  
I love you always forever  
Near and far closer together  
Everywhere I will be with you  
Everything I do for you  
I love you always forever  
Near and far closer together  
Everywhere I will be with you  
Everything I do for you  
You've got..  
The most unbelievable blue eyes I've ever seen  
You've got..  
Me almost melting away  
As we lay there..  
Under a blue sky with pure white stars..  
Exotic sweetness..  
A magical time  
I love you always forever  
Near and far closer together  
Everywhere I will be with you  
Everything I do for you  
I love you always forever  
Near and far closer together  
Everywhere I will be with you  
Everything I do for you  
Say you'll love.. love me forever  
Never stop.. not for whatever  
Near and far and always  
And everywhere and everything

Say you'll love me.. love me forever  
Near and far and always  
And everywhere and everything  
Say you'll love.. love me forever  
Never stop.. not for whatever  
Near and far and always  
And everywhere and everything  
Say you'll love me.. love me forever  
Near and far and always  
And everywhere and everything  
I love you always forever
