I haven't slept at all in days
It's been so long since we've talked
And i have been here many times
I just don't know what i'm doing wrong

(chorus:)

What can i do to make you love me
What can i do to make you care
What can i say to make you feel this
What can i do to get you there

There's only so much i can take
And i just got to let it go
And who knows i might feel better, yeah
If i don't try and i don't hope

(chorus)

No more waiting, no more, aching...
No more fighting, no more, trying...

Maybe there's nothing more to say
And in a funny way i'm calm
Because the power is not mine
I'm just going to let it fly

(chorus x2)

And love me... love me...
