I don't patronize
I realize I'm losing and this is my real life
I'm half asleep
And I am wide awake this habit is always so hard to
break
I don't want to be the bad guy
I've been blaming myself and I think you know why
I'm killing time (I'm killing time), and time's killing you
every way that I do

Did you say
Please just follow me
I thought you wanted me
Cause I want you all to myself
I can try and suck it up
I just can't suck it up
Make me feel like someone else
Please just follow me
I thought you wanted me
Cause I want you all to myself
I can try and suck it up
I just can't suck it up
Make me feel like someone else

I'm under the gun
Feel like the only one just can't decide what I'm running
from
This isn't what I wanted but
I can't keep my filthy fucking mouth shut
It's not enough (It's not enough) it's never enough
And I wish I could breath without it getting stuck
Can't focus it (Can't focus it) but I try it over and over
again

Did you say
Please just follow me
I thought you wanted me
Cause I want you all to myself
I can try and suck it up
I just can't suck it up
Make me feel like someone else
Please just follow me

I thought you wanted me
Cause I want you all to myself
I can try and suck it up
I just can't suck it up
Make me feel like someone else

Na-na na-na na
Na-na na-na na-na
Na-na na-na na
Na-na na-na na-na

(Please just follow me
I thought you wanted me
Cause I want you all to myself
I can try and suck it up
I just can't suck it up
Make me feel like...)

Did you say
Please just follow me
I thought you wanted me
Cause I can't stay with someone else
I'll try and suck it up
I just can't fuck it up
I want you all to myself

Did you say
Please just follow me
I thought you wanted me
Cause I want you all to myself
I can try and suck it up
I just can't suck it up
Make me feel like someone else

Na-na na-na na!
