"Beside You"

When your tears are spent on your last pretense
And your tired eyes refuse to close and sleep in your
defense.
When it's in your spine like you've walked for miles
And the only thing you want is just to be still for a while

Oh waaii oh waaii oh oooo
Oh waaii oh waaii oh oooo

If your heart wears thin I will hold you up
And I will hide you when it gets too much
I'll be right beside you
I'll be right beside you

When you're overwhelmed and you've lost your breath
Where the space between the things you know is blurry
nonetheless.
When you try to speak but you make no sound
And the words you want are out of reach but they've
never been so loud

If your heart wears thin I will hold you up
And I will hide you when it gets too much
I'll be right beside you
I'll be right beside you

I will stay.
Nobody will break you,
Yeah.

Trust in me, trust in me.
Don't pull away
Trust in me, trust in me.
I'm just trying to keep this together, because I could do
worse and you could do better

Tears are spent on your last pretense
And your tired eyes refuse to close and sleep in your
defense.

If your heart wears thin I will hold you up
And I will hide you when it gets too much

I'll be right beside you
Nobody will break you

If your heart wears thin I will hold you up
And I will hide you when it gets too much
I'll be right beside you
Nobody will break you.
