So here's another day I'll spend away from you
Another night, I'm on another broken avenue
My bag is ripped and worn but then again now so am I
Take what you wanna, take what you wanna, take what
you

I miss the stupid things, we'd go to sleep and then
You'd wake me up and kick me out of bed at 3 a.m.
Pick up the phone and hear you saying dirty things to
me
Do what you wanna, do what you wanna, do what you

Take me with you I'd start to miss you
Take me home I don't wanna be alone tonight

And I do want to show you I will run to you for you
'Til I can't stand on my own anymore
I cross my heart and hope to die
Cross my heart and hope to die
Cross my heart and hope to

Hotels are all the same, you're still away from me
Another day, another dollar that I'll never see
Can I get a piece of the piece of the, piece of
something good
Lie just a little, lie just a little, lie just a

I wonder what you're doing, I wonder if you got it
I wonder how we used to ever go so long without it
And no matter where I go I'm coming back to you
Be where we oughta, be where we oughta, be where we

Take me with you I'd start to miss you
Take me with home I don't wanna be alone tonight

And I do want to show you I will run to you for you
'Til I can't stand on my own anymore
I cross my heart and hope to die

Take me with you I'd start to miss you
Take me with you I'd start to miss you
Take me with you I'd start to miss you

Take me with you I'd start to miss you
Take me with you I'd start to miss you

Take me with you I'd start to miss you
Take me with you I'd start to miss you
Take me with you I'd start to miss you
Take me with you I'd start to miss you
Take me home I don't wanna be alone tonight

And I do want to show you I will run to you for you
'Til I can't stand on my own anymore
I cross my heart and hope to die

And I do want to show you I will run to you for you
'Til I can't stand on my own anymore
I cross my heart and hope to die

And I do want to show you I will run to you for you
'Til I can't stand on my own anymore
I cross my heart and hope to die

And I do want to show you I will run to you for you
'Til I can't stand on my own anymore
I cross my heart and hope to die
