Everyones around  
No words are coming out  
And I can't find my breath, can we just say the rest with  
no sound?  
And none of this is enough  
I still don't measure up  
And I'm not prepared, sorry is never there when you  
need it  
And now I do, want you to know I hold you up above  
everyone  
And I do, want you to know I think you'd be good to me  
and I'd be so good to you

(I, would)

I thought I saw the sign'  
Somewhere bewteen the lines  
Or maybe it's me, maybe I only see what I want

Well I still have your letter  
Just got caught between someone I just invented  
Who I really am  
And who I've become

And now I do want you to know I hold you up above  
everyone  
And I do want you to know I think you'd be good to me,  
and I'd be so good to you

(Woah oh woah oh oh woah oh oh oh oh oh woah oh oh  
oh etc.)

Yeaahhhh, yeahhh

I, I, would.

And I do want you to know I hold you up above  
everyone  
And I do  
Want you to know I think you'd be good to me  
And I'd be so good to you  
I'd be good to you

I'd be good to you  
I'd be good to you  
I'd be so good to you  
I'd be good to you  
I'd be good to you  
I'd be good to you  
I'd be so good to you
