Testing, testing, I'm just suggesting
You and I might not be the best thing
Exit, exit, somehow I guessed it right, right
But I still want ya, want ya, don't mean to taunt ya
If you leave now, I'll come back and haunt ya
You'll remember, return to center now, now

Well I just wish we could go back one more time and
begin it
Back before I lost myself somewhere, somewhere in it

We've been stuck now, so long, but it's got to start
from
One more last try, Imma get the ending right
You can't stop this, and I must insist
That you haven't had enough
You haven't had enough
Stuck now, so long, but it's got to start from
No more last place, you better get your story straight
You can't stop this, and I must insist
That you haven't had enough
You haven't had enough

I still, need ya, need ya, don't mean to tease ya
If ya want me, I'll come back and meet ya
Whisper, whisper, you must admit you want it
You, you want it

Well I just wish we could go back one more time and
begin it
Back before I lost myself somewhere, somewhere in it

We've been stuck now, so long, but it's got to start from
One more last try, Imma get the ending right

You can't stop this, and I must insist
That you haven't had enough
You haven't had enough
Stuck now, so long, but it's got to start from
No more last place, you better get your story straight
You can't stop this, and I must insist
That you haven't had enough

You haven't had enough

Don't you need it?

Don't you want this at all?

(Testing, testing, I'm just suggesting)

Don't you need it?

Don't you want this at all?

(Testing, testing, I'm just suggesting)

Stuck now, so long, but it's got to start from

One more last try, Imma get the ending right (You and I)

You can't stop this, and I must insist

That you haven't had enough (You haven't had enough)

That you haven't had enough (You haven't had enough)

Stuck now, so long

But it's got to start from

No more last place, (Another place) You better get your story straight

You can't stop this (Don't you need it?)

And I must insist

That you haven't had enough (Don't you want this all)

That you haven't had enough

Testing, Testing, I'm just suggesting

You and I might just be the best thing
