First it comes on quiet creeping low. Clever words and phrases only stain.

I remain so lost and buried under everything that I need when all I want is you.

I've been here so very long and every word is calculated never questioned or debated. All these practiced poses I could wreck it if I had to but I'm the wreck so what would that do. My Masterpiece will fall apart it was over before the start

If I burn out and slip away If this is just a part I portray, if this is just a part I portray You're beautiful, can I had in you awhile. If this is just a part I portray, if this is just a part I portray.

They keep mostly to themselves don't make a sound in case they here you. It only hurts me to be near you. Keep those tired eyes closed. Careful follow my instruction and I will show you self-destruction. This Masterpiece is only mine, entirely guilty by design.

If I burn out and slip away, if this is just a part I portray, if this is just a part I portray. You're beautiful, can I hide in you awhile. If this is just a part I portray, if this is just a part I portray.

I just can't let it, let it out [5x]

if this is just a part I portray, if this is just a part I portray. I don't know how it got this way. I don't know how it got this way.
