Can I have your attention, Ohh- ohh ohh- ohh- ohhhhh
I just open my mouth
Is it clear
Is it loud for you

You just need me to be stable
But I won't be able
To keep it together again
Now don't pretty please me
You're not making it easy, to slow me down

No wonder
I-I-I, I- I'm not eating
I-I-I, I- I'm not sleeping
You say
Sing, sing to me
Sing me something I need
Sing new, sing good
God I wish that I could

Are you hearing me now Ohh- ohh ohh- ohh- ohhhhh
Hear the sad little sounds
As they fall from my mouth

Whhhoaaaaa yeahh

You just need me to be stable
But I won't be able
To keep it together again
(To-gether again)
Now don't pretty please me
You're not making it easy to slow me down

No wonder
I-I-I, I- I'm not eating
I-I-I, I- I'm not sleeping
You say
Sing, sing to me
Sing me something I need
Sing new, sing good
God I wish that I could

All my indecision
All of my excess
Don't you ever tell me I'm not lovin' you best
I just need a minute,
I just need a breath,
You're very hard to drink to my continued success

Do I have your attention, Whhhoaaaaa

You just need me to be stable
But I won't be able
To keep it together again
(To-gether again)
Now don't pretty please me
You're not making it easy to slow me down

It's no wonder
I-I-I, I- I'm not eating
I-I-I, I- I'm not sleeping
You say
Sing, sing to me
Sing me something I need
Sing new, sing good
God I wish that I could

All my indecision (Sing sing to me)
All of my excess
Don't you ever tell me I'm not lovin' you best (Sing sing
to me)
All my indecision (Sing sing to me)
All of my excess
Don't you ever tell me I'm not lovin' you best (Sing, sing
to me)

God I wish that I could

Yeah-eah-eah-eahhh
