Charming, someone to fear  
Handsome, very much here  
Evil, dancing through fire  
Whore of Babylon, world famous clear

Something to charm  
Danger, someone to harm  
Falling into the mire  
Climbing, higher and higher

Someone to fear  
Handsome, very much here  
Evil, dancing through fire  
Whore of Babylon, world famous clear

Ivory tower  
Longing for something now  
Waiting, hour after hour  
Give me some of your power

Citadel, a prison of sorts  
Only the rich make the laws  
Using repression and force  
Whore of Babylon, City of Quartz

Someone to fear  
Hidden and very much here  
Hatred summoned so near  
Whore of Babylon, world famous clear
