I'm tired so tired, I can hardly stand  
I can't breathe in the air in this city tonight  
It's taken everything, I had to give  
And now I just want to get out of here

But I won't be sorry, if he won't be  
And I don't want your pity or your sympathy  
But for forty five dollars, I can make it  
You wait and see

But I won't be sorry, if you won't be  
And I don't want your pity or your sympathy  
But for forty five dollars, I can make it  
You wait and see

It's not as if, I was just anybody  
On Broadway I danced for that senator  
They know me in London and they know me in Paris  
I'm only talkin' 'cause you looked like you needed a  
friend

And I won't be sorry, if you won't be  
And I don't want your pity or your sympathy  
But with forty five dollars  
I'm half-way to Miami
