I know you're out there having a good time.
Spaced out chicks, love potions and good wine.
Don't make me laugh, you're not in there alone,
There's other people's voices in the room.

Don't hang up ã,âiã,âº I didn't mean it that way,
No eye communication ã,âiã,âº always happens this way.
How can I say what I mean, mean what I say ?
No eye communication always happens that way.

I know I shouldn't let it happen,
There's no excuse ã,âiã,âº I felt so alone.
You know how it is, our lure was meant to trap them
ã,âiã,âº
And then they find some poison of their own.

Don't hang up ã,âiã,âº I didn't mean it that way,
No eye communication ã,âiã,âº always happens this way.
How can I say what I mean, mean what I say ?
No eye communication always happens ...

"tyger, tyger, burning bright
In the forests of the night,
What immortal hand or eye
Dare frame thy fearful symmetry ? " *

Don't hang up ã,âiã,âº I didn't mean it that way,
No eye communication ã,âiã,âº always happens this way.
How can I say what I mean, mean what I say ?
No eye communication always happens that way.

Don't hang up ã,âiã,âº I didn't mean it that way,
No eye communication ã,âiã,âº always happens this way.
How can I say what I mean, mean what I say ?
No eye communication always happens that way.
