I have a love  
And it's all that I have  
Right or wrong  
What else can I do?

I love him  
I'm his  
And every thing he is  
I am too

I have a love  
And he's all that I need  
Right or wrong  
And he needs me too

I love him  
We're one  
There's nothing to be done  
Not a thing I can do

But hold him  
Hold him forever  
Be with him now  
Tomorrow and all of my life

When love comes so strong  
There is no right or wrong  
Your love is your own
