I'm not Lisa
My name is Julie
Lisa left you
Years ago

My eyes are not blue
But mine won't leave you
Till the sunlight
Has touched your face

She was your morning light
Her smile told of no night
Your love for her grew
With each rising sun

And then one winter day
His hand laid her away
She left you here
Drowning in your tears

Here, where you've stayed for years
Crying, "Lisa, Lisa"

I'm not Lisa
My name is Julie
Lisa left you
Years ago

My eyes are not blue
But mine won't leave you
Till the sunlight
Shines through your face

I'm not Lisa
