Mud Slide Slim and the blue horizon
Oh, Mud Slide and depending on you

I don't know but I've been told
There's a time from time to time
I can't eat, I can't sleep
But I just like to move my feet

'Cause there's nothing like the sound of sweet soul
music
To change your lady's mind
And there's nothing like a walk on down by the bayou
To leave the world behind

Mud Slide, I'm depending on you
Mr. Mud Slide Slim on the blue horizon
I've been letting the time go by, letting the time go by
Yes, I'm letting the time go by, letting the time go by

I wanted cash in my hand, pick upon a piece of land
Build myself a cabin back in the woods
Lord, it's there I'm gonna stay until there comes a day
When this old world starts changing for the good

Now the reason I'm smiling is over on an island
On a hillside in the woods where I belong
I wanna thank Jimmy, Jimmy John and Mick and Robbie
Of Nojets Construction to send me down homestead on
a farm

Oh, Mud Slide, I'm depending on you
Mr. Mud Slim on the blue horizon
I've been letting the time go by, letting the time go by
Yes, I'm letting the time go by, letting the time go by
