You are my child and how you've grown
But there are things that you must learn
That every man must stand alone
And family you must disown

Go home, find your own way
Go on, find your own way
Go home, find your own way
Go on, find your own way

Don't cry my child, you must know
That every man I've ever loved
Has been a child and fatherless
Trust in yourself, it's all that you can trust

Go home, find your own way
Go on, find your own way
Go home, find your own way
Go on, find your own way

Go home, find your own way
Go on, find your own way
Go try, find your own way
Go on, find your own way

I have no time for hate or love
Hey child, you're so full of woe
I have no time for hate or lying
Hey child, you're no child of mine

I have no time for hate or love
Hey child, you're so full of woe
I have no time for hate or lying
Hey child, you're no child of mine

Hey child, you're no child of mine
Hey child, you're no child of mine
