Our love is gone and you're left alone
What can you do when love's lost sight of you?

Ooh, la, la, la, la, ooh, la, la, la, la
I did you wrong, my heart went out to play
And in the game I lost you, what a price to pay
I'm crying ooh baby, baby, ooh baby, baby

Sorry, let me come home and love you
Though it's hard, though it's hard to do
What can I do?

Mistakes, I know I've made a few
But I'm only human, you've made mistakes too
I'm crying ooh baby, baby, ooh baby, baby

Ooh baby, baby, baby, baby I love you
Ooh baby, baby, baby, baby I need you
Ooh baby, baby, baby tell me what do I do?
Ooh baby, baby, baby let me make it up to you

Baby, baby the heart keeps getting stronger
Baby, baby I can't hold on much longer
Baby, baby the heart keeps getting stronger
Stronger, I can't hold on much longer

Ooh stronger, my heart keeps getting stronger
Ooh stronger, I can't hold on much longer
Ooh stronger, the heart keeps getting stronger
Ooh stronger, I can't hold on much longer

I'm just about at the end of my rope
But I can't stop trying, I can't give up hope
'Cause I feel I'll be here, someday I'll hold you near
Whisper I still love you until that day is here, until that
day is

Ooh baby, baby, ooh baby, baby
Ooh baby, baby, ooh baby, baby
Ooh baby, baby, ooh baby, baby, ooh
