She would never say where she came from
Yesterday don't matter 'cause it's gone
While the sun is bright or in the darkest night
No one knows she comes and then she goes

Goodbye, ruby Tuesday
Who is gonna hang a name on you?
And when you change with every new day
Still I'm gonna miss you

Don't ask her why she needs to be so free
She's gonna tell you it's the only way to be
She just can't be chained to a life where nothing's
gained
And nothing's lost but such a cost

Goodbye, ruby Tuesday
Who is gonna hang a name on you?
And when you change with every new day
Still I'm gonna miss you

There's no time to lose, I heard her say
You gotta catch your dreams before it run away
Dying all the time, lose your dreams
And you might lose your mind is life unkind?

Oh, goodbye, ruby Tuesday
Who is gonna hang a name on you?
And when you change with every new day
Still I'm gonna miss you

Oh, goodbye, ruby Tuesday
Who is gonna hang a name on you?
And when you change with every new day
Still I'm gonna miss you

Goodbye, ruby Tuesday, goodbye, ruby Tuesday
Goodbye, ruby Tuesday, goodbye, ruby Tuesday
Goodbye, ruby Tuesday, goodbye, ruby Tuesday
