Someone saw you
By the waterside.
Nothing you can do will change her.
This is not the time for secrets
Save your breath.

It's time
For sex
With strangers.
It's time
For sex
With strangers.
It's time
For sex
With strangers -
Maybe sex with someone else.

Completely empty
You have nothing left inside.
Bored, you thought you'd try a little danger -
And now you have betrayed yourself.

It's time
For sex
With strangers.
It's time
For sex
With strangers.
It's time
For sex
With strangers -
Time for sex with someone else.

She wants to run away and hide
Nothing you can do will save her
She thought she knew you.
Knew how much you felt.

But now
It's sex
With strangers.
Now

It's sex
With strangers.
But now
It's sex
With strangers -
Time for sex with someone else.

But now
It's sex
With strangers
Now
It's sex
With strangers.
But now
It's sex
With strangers -
Now it's time for sex with someone else
