There's a place for us
Somewhere a place for us
Peace and quiet and open air
Wait for us somewhere

There's a time for us
Some day a time for us
Time together with time to spare
Time to look, time to care
Someday, somewhere

We'll find a new way of living
We'll find there's a way of forgiving
Somewhere

There's a place for us, a time and place for us
Hold my hand and we're halfway there
Hold my hand and I'll take you there
Somehow, someday, somewhere

We'll find a new way of living
We'll find a way of forgiving
Somewhere

There's a time for us, a time and place for us
Hold my hand and we're halfway there
Hold my hand and I'll take you there
Somehow, someday, somewhere, somewhere

Somewhere
