I'm tired, I'm thirsty
I'm wild eyed in my misery
Timeless, in your finery
A high price for your luxury
Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer, show me the high life
Come over, let me put you on ice
I'm tired when I need you badly
Wild eyed in the middle of your dreams
Timeless, it's a mystery
All the way, now, it's never what you see
Sorcerer, who is the master
Man and woman on a star stream
In the middle of a snow dream
Sorcerer, show me the high life
Come over, let me put you on ice
All around, black ink darkness
And who found the lady from the mountain
All around, black ink darkness

Who found the lady from the mountain

The lady from the mountain

The lady from the mountain

The lady from the mountain

I'm tired, I'm thirsty

I'm wild eyed in my mystery

Timeless, in your finery

A high price for your luxury

Sorcerer, who is the master

Man and woman on a star stream

In the middle of a snow dream

Sorcerer, show me the high life

Come over, let me put you on ice

Sorcerer, who is the master

Man and woman on a star stream

In the middle of a snow dream

Sorcerer, show me the high life

Come over, let me put you on

Sorcerer, who is the master

Man and woman on a star stream

In the middle of a snow dream

Sorcerer
