Where I walk
And life is warm
Sun and breath
Hopefully here
All our hearts are blessed.
Texas real
A woman sworn to man
Here I tried,
Here I tried
To be the best.
So hot it's white and real to me
I'd stay awake all night
Asking your silent sympathy.
I know something new,
Southern Butterfly and you.
I know something new,
Southern Butterfly with you.
Texas real

A woman sworn to man
Here I tried,
Here I tried
To be the best.
So hot it's fine and real, real me
I'd stay awake all night
Asking your silent sympathy.
I know something new,
Southern Butterfly with you.
I know something new,
Southern Butterfly and you.
I know something new,
Southern Butterfly and you.
I know something new,
Southern Butterfly with you.
