Held in this gaze
Where's the sun tonight?
Help me escape
All this it multiplies
Ever give up on fate?
There's a truth a mile high
Never give up again
Witness you through my eyes

Oh, I know

He is here
And I lost in this blame

I'm lost in this pain

Show me the shape of your mother's arms
Help me explain your father's eyes
Never give up again
There's a truth a mile high
What's the worst of faith?
It ensures a goodbye

Oh, I know
He is here
And I laugh at this blame
I laugh at this pain
Oh, I know
He is here
And I'm lost in this pain

Eternity's tales

Where do I belong... can I belong with you?

Turn my head
Underneath the summer moon
Feel his breath
Conjure up the truth I feel
I'm so confused I feel
Kiss this night
Photographic memory

I feel I'm lost again
Underneath my heart holds this gravity
I feel full of this uncertainty
Take me away from this

I know he is here
I laugh at this blame
Can I live with this pain
Oh, how do I know he is here?
I look at your face
I belong, oh, I belong
I know I belong to you
