Every heart beat is a miracle
simply breathing out and breathing in
every planet in the system, every distant star
dances to a master rythm, beating for all eternity

The rythm is magic, feel it in your soul
rythm is the power of creation
in every living thing, the force within
the rythm is magic, the rythm is king

A dancer steps into the mystery
naitive instinct feels the living spell
she surrenders to the power, rythm holds the key
spirit opens like a flower, breathing for all eternity

The rythm is magic, feel it in your soul
rythm is the power of creation
in every living thing, the force within
the rythm is magic, the rythm is king

La magia del ritmo, siente su vibrar
bebe su poder de sensaciones
en todo lo que ves, la fuerza es
la magia del ritmo, la magia de ser

El milagro de un latido m?s
respirando en cada palpitar
las distancias se conectan con la exhaltaci?n
el secreto est? en el ritmo
prueba de ver su inmensidad

The rythm is magic, feel it in your soul
rythm is the power of creation
in every living thing, the force within
the rythm is magic, the rythm is king

The rythm is magic, feel it in your soul
rythm is the power of creation
in every living thing, the force within
the rythm is magic, the rythm is king

The rythm is magic, siente su vibrar!
bebe su poder de sensaciones!
en todo lo que ves, la fuerza es
the rythm is magic, the rythm is king

The rythm is magic,
siente siente siente siente su vibrar
en todo lo que ves, la fuerza es
the rythm is magic, the rythm is king
