You have my heart and we'll never be world apart
Maybe in magazines, but you'll still be my star
But baby in the dark you will see shiny cars
And that's when you'll need me there
With you I'll always share

Because when the sun shines, we shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath I'mma stick it out to the end

Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh

And fancy things, they'll never coming in between
You're part of my entity, here for infinity
When the war has took it's part
When the world has dealt it's cards
If the hand is hard, together we'll mend your heart

Because when the sun shines, we shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath I'mma stick it out to the end

Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
