If you just know how happy i am
When you look at me and smile
You have surprised me
And made ne fully happy

[Refrain:]
I remembered our pasts
The exchanging of jokes and teases
How I wish to go back there
And stay with you forever

[CHORUS:]
But even my heart loves you
Destiny says it's forbidden
And even my mind likes you
Dstuny says it's forbidden
Baby i'm sorry
Can't do anything to change it
Let's just be friends forever
And make that relationship stronger (ohhh..stronger)

Although it's hard
Let me ask you a favor
Please treat me
As what you've been before
Our friemdship must last forever
Please promise me that you will say never

[Repeat CHORUS]

And make that relationship stronger
