(Sit down) No I can't sit down  
(Sit down) No no I can't sit down  
(Hey girl) No no I can't sit down (sit down)  
I just got a message and I can't sit down

(Sit down) No no I can't sit down  
(Sit down) Never never never never will sit down  
(Hey hey sit down) Go away don't bother me I can't sit  
down  
I just got a message and I can't sit down

My old man hollers that I ain't no good  
I don't do my homework like I should  
He thinks I'm a-gonna be a no good hood  
I feel like a-walking but I can't sit down

(Sit) No no I can't sit down  
(Down) Oh no no no no no no I can't sit down  
(Sit down) Uh uh I can't sit down  
I just got a message and I can't sit down

People yapping in my classroom seat  
Feel so jumpy since I found the beat  
The teacher yelling are you sick can you breathe  
I just got a message and I can't sit down

(Sit down) No no I can't sit down  
Oh no I can't sit down  
Go away don't bother me I can't sit down  
I just got a message and I can't sit down

Feel like a-rocking I'm afraid to bite  
I just got a message and I can't sit down  
I'm rocking and a-rolling and a-hopping all night  
I just got a message and I can't sit down

(Sit down) No no I can't sit down  
No no no no no no I can't sit down  
Now go away don't bother me I can't sit down  
I just got a message and I can't sit down  
I just got a message and I can't sit down  
I just got a message and I can't sit down

I just got a message and I can't  
Sit  
Down  
I just got a message and I can't sit down
