Mmm mmm mmm mmm mmm mmm

Now everybody has a right to be living their lives  
Ooh, but we're a long long way, a long way from  
paradise  
If there is freedom, tell me why everybody wants to  
fight  
Ooh, 'cause we're a long long way, a long way from  
paradise  
You might be strong enough, you might be rich enough  
You might be blind enough to push it all aside  
No matter what you do, it keeps coming back to me  
and you

(CHORUS:)

Give a little bit of love and you'll get it back  
Give a little bit of pain, you're caught in a trap  
For every little thing that you say or do  
Give a little bit of love and it'll come back to you

Mmm mmm mmm

Got your reasons but are you sure they're reasons to  
be right  
Oh oh, 'cause we're a long long way, a long way from  
paradise  
Don't let your anger or your fear become your suicide  
'Cause we're a long long way, a long way from  
paradise  
We must be strong enough, we must be great enough  
We've waited long enough, now it's time to say  
goodbye  
We got some rules to bend, there's too many lessons  
to be learned

(CHORUS x2)

Ooh oh oh

I believe in peace and harmony  
You got to believe in love before you can be free

So take a hand, everybody make a friend  
I want you to believe in love like I believe  
Oh oh oh oh oh-oh-oh oh

(CHORUS)

Oh oh-oh-oh oh yeah  
Every little thing that you say or do  
Give a little bit of love, it'll come back to you

Oh yeah  
Mmm mmm mmm  
Ooh ooh ooh
