The sky isn't always blue.
The sun doesn't always shine.
It's all right to fall apart...sometimes.
I am not always you.
And you are not always mine.
It's all right to fall apart...sometimes.

After all's said and done.
One and one still is one.
When we cry, when we laugh.
I am half you are half.

A heart isn't always true.
And I am not always fine.
It's all right to fall apart...sometimes.

After all's said and done.
One and one still is one.
When we cry, when we laugh.
I am half you are half.
Look how far we have come.
One and one still is...

One moon. One star.
I love the one we are.
One friend. One love.
Let's stand still in time.

One moon. One star.
I love the one we are.
One friend. One love.
Then runs through our love.

After all's said and done.
One and one still is one.
When we cry, when we laugh.
I am half you are half.
Look how far we have come.
One and one still is one.
