Every heart beat is a miracle
simply breathing out and breathing in
every planet in the system, every distant star
dances to a master rhythm, beating for all eternity

The rhythm is magic, feel it in your soul
rhythm is the power of creation
in every living thing, the force within
the rhythm is magic, the rhythm is king

A dancer steps into the mystery
naitive instinct feels the living spell
she surrenders to the power, rhythm holds the key
spirit opens like a flower, breathing for all eternity

The rhythm is magic, feel it in your soul
rhythm is the power of creation
in every living thing, the force within
the rhythm is magic, the rhythm is king

La magia del ritmo, siente su vibrar
bebe su poder de sensaciones
en todo lo que ves, la fuerza es
la magia del ritmo, la magia de ser

El milagro de un latido más
respirando en cada palpar
las distancias se conectan con la exaltación
el secreto está en el ritmo
prueba de ver su inmensidad

The rhythm is magic, feel it in your soul
rhythm is the power of creation
in every living thing, the force within
the rhythm is magic, the rhythm is king

The rhythm is magic, feel it in your soul
rhythm is the power of creation
in every living thing, the force within
the rhythm is magic, the rhythm is king

The rhythm is magic, siente su vibrar!
bebe su poder de sensaciones!
en todo lo que ves, la fuerza es
the rhythm is magic, the rhythm is king

The rhythm is magic,
siente siente siente siente su vibrar
en todo lo que ves, la fuerza es
the rhythm is magic, the rhythm is king
