Souls that are so connected
Find one another's love
Even in the darkness
Your energy's enough

I don't need my senses to know where you are
(My love will lead the way)
Even in the distance, you're never far

[Chorus]
Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart
I know you by heart
I know you by heart

I can't feel your spirit
Lost in a crowded room
I don't need to hear it
Your voice carries through

I don't need my senses to know where you are
(My love will lead the way)
Even in the distance, you're never far

[Chorus]
Anywhere I will find you
Like my pulse is beating inside you

Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart
I know you by heart
I know you by heart
I know you by heart
I know you by heart

In all this malice we still manage
To stay together whenever apart
Don't let the chaos separate us

I'm there wherever you are

[Chorus]

Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart
Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart
I know you by heart
I know you by heart
I know you by heart
I know you by heart
