What I can remember
Is a lot like water
Trickling down a page
Of the most beautiful colors
I can't quite put my finger
Down on the moment
That I became like this...

You see I am the bravest girl
You will ever come to meet
Yet I shrink down to nothing
At the thought of someone
Really seeing me
I think my heart is wrapped around
And tangled up in winding weeds

But I don't wanna go on living
Being so afraid of showing
Someone else my imperfections
And even though my feet
Are trembling
And every word I say I'm stumbling
I will bare it all... watch me unfold
Unfold

These hands that I hold
Behind my back are
Bound and broken
By my own doing
And I can't feel
Anything anymore
I need a touch to remind me
I'm still real

But I don't wanna go on living
Being so afraid of showing
Someone else my imperfections
And even though my feet
Are trembling
And every word I say I'm stumbling
I will bare it all... watch me unfold
Unfold

My soul
It's dying to be freed
You see... I can't live the rest of my life
So guarded
It's dying to be free
It's up to me to choose...
What kind of life I lead

Cuz I don't wanna go on living
Being so afraid of showing
Someone else my imperfections
And even though my feet
Are trembling
And every word I say I'm stumbling
I will bare it all... watch me unfold
Unfold

I will allow someone to love me
I will allow someone to love me.
