It's not over but it's over now
It's not over but it's over now

Everyone came again, everyone loved her
I won't get used to this, these motherfuckers saved me

It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now

It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
It's not over but it's over now
