My mind takes you to where you need to be
Cure for your heartbreak to take away the pain
I could describe each mistake for you
Tattoo it on my tainted heart

[Chorus]
well I won't ever tell the world
that I don't belong
Please don't ever tell the world
That I don't belong
That I don't belong

Can you still feel me or did I slip away
A sick man, a monster, broken still today
I can't explain what happens to me
Caught in the game I've always starred
I could describe each mistake for you
Tattoo it on my tainted heart

[Chorus]

Well I won't ever change my ways
and I can't be strong
That I don't belong

and it's my own shame
I can't break your ways

[Chorus]

Well I won't ever change my ways
and I can't be strong
please don't ever tell the world
that I don't belong
that I don't belong
that I don't belong
