Everyone upset  
I want to breathe the fumes  
Everyone got blazed  
I still love you  
No one ever said I don't enjoy the shame  
No one ever said I don't enjoy the game

(well I cant control the way I loved her  
I cant control the way she breaks)  
Nothing ever changes in the bizarre  
Nothing ever changes in the bizarre

Everyone upset  
I want to breathe the fumes  
Everyone got blazed  
I still love you  
No one ever said I wont enjoy the shame  
No one ever said I wont enjoy the game  
(well I cant control the way I loved her  
I cant control the way she breaks)  
Nothing ever changes in the bizarre  
Nothing ever changes in the bizarre

Well I came a world, it's falling over  
I wanna believe God loved his children  
Well I came alone, no one forgives me  
Well I said too much, God loved his children

Nothing ever changes in the bizarre  
Nothing ever changes in the bizarre  
Nothing ever changes here  
Nothing ever changes here
