Just get up and go!!!!
No one believed everything was for you,
I came to see anything that way.
Nothing inside was real till I found you,
I pulled the sheets and you slipped away.
A ghost in here,
I can't believe.
There's a ghost in here,
I can't breathe.
You're killing me,
You're killing me,
You're killing me,
You're killing me.
No one believed anything was for you
I came to see anything that way,
Nothing inside was real till I found you,
I pulled the sheets and you slipped away.
A ghost in here.
I can't believe,
There's a ghost in here,
I can't sleep.
It's taken me,
All this time,
Fuck you!
Just get up and go!!!!
Torch my world, twist in fame,
I don't,
Love you.
Sewed my fame,
Twisting chain.
I don't deny,
There's a ghost in here,
There's a ghost in here,
There's a ghost in here,
There's a ghost in here,
There's a ghost in here,
There's a ghost in here,
There's a ghost in here.
