Do you pray
In the night
Can you appreciate the wind
And I won't care
I won't fight
I need you close to sing
It's the same beginning
Gone away
It's the same old, same old song
Gone away
It's my whole life
In words
And I can't breathe
When you cry
But I'll be there to hold you tight
And I would kill
I would fight
To keep you close
I keep singing the same way
I won't live
If you died
If I can feel you in the wind
And this is me
It's my life
I'll need you close to sing

It's the same beginning
Gone away
It's the same old, same old song
Gone away
It's my whole life
In words
Gone away
It's the same old, same old song
Gone away
It's my whole life
And I can't say
And I don't know
How far
I'll go
And I can't say
And I don't know

How far
I'll go
Gone away
It's the same old, same old song
Gone away
It's my whole life
In words
Gone away
It's the same old, same old song
Gone away
It's my whole life
